

Agile Soul _____

Directions:

1. In the bottom box, name yourself and name your discipline.
2. In the top boxes, brainstorm 3 skills critical to growing in that discipline. We give you “Agile” for free.
3. Construct your “learning lineage” (like an upside down family tree). Group your teachers and their teachers by these skills.

the

How do these teachers and these skills set you up to grow in your discipline?

... and to advance the craft?
