Sketchnoting like a pro

Sketchnote workshop

Raymond van der zanden
What are sketchnotes?

- **Sketchnotes are:**
  - Rich visuals notes created from a mix of handwriting, drawings, shapes and visual elements like arrows, boxes, and lines;

- **Why do we use sketchnotes?**
  - Because it engages your whole mind
    - Visual (images, drawings, and imagination)
    - Verbal (words, logic, and language)
